

INSURANCE OPTIONS

CalsMovingHelp.com

Moving insurance is designed to protect your things from a number of accidents that can happen while loading, traveling, or unloading. From gravity to natural disasters, Cal's Moving help is happy to help you understand your options so you can move stress-free.

Coverage Options	Coverage amount	Claims options	Cost	Coverage for expensive items	Supplemental coverage ability
Released (basic) value protection	Covers \$0.60 per pound, per item for interstate moves	Does not cover full market value of your belongings, and no repair or replacement	Offered at no additional charge	N/A	N/A
Full-value protection (FVP)	Provides full coverage of your entire inventory	Repairs, replacement, or a cash settlement equal to the item's market value	Additional cost separate from your moving package, usually based on your own valuation	Does not cover items of extraordinary value (over \$100 per pound)	N/A
Third-party insurance	Provides full coverage of your entire inventory, despite natural disasters.	Repairs, replacement, or a cash settlement equal to the item's market value	Additional cost you pay to another company	Covers items of extraordinary value (exceeding \$100 per pound)	Can supplement released value protection
